

# ALLERGEN IDENTIFIER

We know many of our valued Guests have varying degrees of food intolerances and allergies they deal with daily. To ensure you have a safe experience, please review the following information to assist you with selecting menu options that best fit your individual needs.

Please note that because individual foods may come into contact with each other during preparation of your item, and because of shared utensils and equipment, **we cannot guarantee that our food is free from any allergens. If you have any special requests or concerns related to allergies or other dietary restrictions, please inform your cashier when placing your order.**

If you have specific questions about food allergies or sensitivities, we recommend that you contact your medical professional.
